TRAMPOLINE STUNT TRAINING CAMP

Bracknell Trampoline Centre
Specialist trampoline training camp for those training for the stunt register

This is a great opportunity for a maximum of 8 people training for the stunt register to attend an accelerated learning course in stunt examination requirements.

The three day intensive camp is being held between Christmas and the New Year.

You will be coached by specialist coaches in stunt examination and have opportunities to film your progress. The course also includes pit work and body preparation and you will receive a video presentation of the stunt examination requirements.

We anticipate a rush on course spaces, so recommend that you book as soon as possible to avoid disappointment. The course is Covid19 restrictions dependent.

Once you have booked, you will receive confirmation of your place and a provisional camp timetable.
